It’s Online Sale Time!

The third annual WCLA Online Sale will be on April 6-7, 2014 with Willoughby Sales. The sale closes at 7:00 p.m. on April 7. If you are interested in consigning contact Sale Chair Jason Johnson at 608-883-2409 (home) or 608-201-5742 (cell).

Dan Willoughby will contact you with information regarding photos of your lambs for the online sale. As with other online sales ran by Willoughby, this sale will have national advertising coverage. Commission for this sale will be 10% and a $25 fee will be charged for "no sale" lambs.

Become a Breeder Sponsor

If you are currently not a member or may have been in the past, this is a great time to join the WCLA. As a breeder sponsor of this association, you are supporting the youth involved in the sheep project. You also have the opportunity to consign to the sales hosted by the association (see above). Money collected through the association is also given back to the youth members at the end of the show season through awards. Forms are available inside this newsletter.
