Old Business

Discussion began on the 2014 online sale. 25 lambs were consigned to the sale with good results. We will continue in 2015.

Also discussed was the judges list for sanctioned shows. President Thorson stated that any suggestions for judges should be send to any board member to be added to the list.

Facebook was again discussed, overall a good response. Members are encouraged to use the page to promote their sales and show information.

Discussion was had on the 2014 sanctioned shows, and if there were new shows to be added for 2015.

New Business

Sponsorship levels were discussed and determined that they will remain the same for 2015. A thank you and a reminder to all sponsors that all of the sponsorship money goes right back to our junior members in the form of prizes.

Breeder and junior membership and deadlines were discussed. It was agreed that they should remain the same for 2015.

The points system was reviewed. Discussion was had on the possibility of putting together a point's form. This would allow sanctioned show hosts to get more accurate and faster information to the point's chair.

The Point Calculation Guidelines were updated to add the Beginner Showmanship 8 and under class. The By-laws were also updated to reflect activities we are no longer participating in.
