EWE LAMB OF THE YEAR NOMINATIONS

WCLA strives to be an organization with the best interest of youth in mind, and to help grow the livestock program as a whole. To become a breeder sponsored Ewe Lamb of the Year contestant, please read over the enclosed information.

We look forward to having another year with high caliber sheep running our circuit in 2023. We have made a few changes to Ewe Lamb of the Year, please read this letter in its entirety and reach out with questions.

WCLA will be hosting an online consignment sale with SOnline Sales in March. 10% of each lamb sold will be retained by WCLA as a fundraiser. Any lamb sold on this sale, wether or ewe, will be automatically tracked for points throughout the year with breeder recognition on social media, and entered in points for year end awards. This sale is open to any breeders across the county, with a limit of 3 sheep per breeder. Please follow our facebook page or email president Josh Reimer for important announcements regarding this sale.

WCLA is excited to announce the return of the Ewe Lamb of the Year contest with only breeder nominated ewes. This category will only accept ewe lambs to be entered, yearling ewes are not eligible.

Breeders can nominate ewe(s) to have their points tracked throughout the year. Any WCLA member can show the nominated ewe lambs; breeders need not be sponsors of WCLA. The points will be tracked on the individual ewe lamb(s) nominated. The top two point getting ewes will be named Supreme & Reserve Ewe lambs of the year. The nominating breeders will be recognized at our awards ceremony, and on social media. The top two breeders will receive awards: \$250 for Supreme and \$100 for Reserve.

Nomination Options: \$100 Sponsorship - Nominate 1 ewe. \$200 Sponsorship - Nominate 2 ewes. \$300 Sponsorship - Unlimited ewe nominations. Points will be tracked in the Commercial ewe classes only at WCLA sanctioned shows, following the rules of the Commercial ewe class. Only points from each nominated ewes' top 4 shows will be counted. The same point schedule used for youth award tallies will be used. In the event of a tie(s), the ewe lambs in the tie will have the fifth, and if necessary subsequent shows added to the total to break the tie. If a tie still exists, each animal will be recognized with a banner, and funds will be divided evenly. All nominations must include full scrapie tag identification. Nominations must be postmarked by April 28, 2023, to be eligible for the competition. No late nominations will be allowed. Exhibitors must identify the ewe lamb on the show's entry card with the exact identification submitted on this form and list the breeder's name on the card.

Please feel free to call or email me if you have any further questions.

Sincerely,
Josh Riemer
WCLA Board President
